The North Jersey Community Animal Shelter is operated under the supervision of Bloomingdale's Director of Animal Control Services and the Animal Control Department. The hours of operation are designed to ensure that all animals are properly cared for and that the public has adequate opportunity to visit, adopt or reclaim their pets. The shelter currently serves seven local communities of Passaic and Morris counties located in Northern New Jersey. Bloomingdale, Butler, Riverdale, Wanaque, Pompton Lakes, Ringwood and Kinnelon.

Our Animal Control Officers and our shelter staff welcome volunteers. A volunteer orientation is held the second Saturday of every month at noon and lasts about an hour. The orientation gives you a better understanding of how our shelter operates and gives you insight as to what way you might want to contribute as a volunteer. For those wanting to support shelter animals and cannot volunteer, hosting a collection drive is always fun and rewarding. Check us out on facebook!
