

## RINGWOOD AVENUE CONSTRUCTION TO BEGIN SEPTEMBER 12<sup>TH</sup>

Phase III of the Ringwood Avenue construction project will begin on September 12<sup>th</sup>. This is a joint project between the Borough of Wanaque and the County of Passaic. The Borough will be replacing an 80 year old water main, all of the water services, and installing new curbs and sidewalks. The County will be doing some drainage work and milling and paving the roadway. This project is not as extensive as the first two phases in Haskell.

The work will begin at Fr. Hayes Drive and move north. Traffic on Ringwood Avenue will be reduced to alternating one lane from 8 a.m. to 3 p.m. (4 p.m. during July and August). The project will extend up to Westbrook Road, and may take up to 2 years.
