October 16, 2015

Wanaque American Legion Post 246 is having a flag retirement ceremony on Saturday October 31, 2015. The ceremony will be at the Haskell Fire House on 4th ave. It will start approximately 11 AM.

A flag retirement ceremony is the proper way to dispose of unserviceable (ripped, torn, faded or not wanted) American Flags. The flags are burned in accordance with the American Legion regulations and guidelines. The first several flags will be folded in the traditional tri-angle shape.

VFW Post 6765 will present their unserviceable flags in accordance with VFW regulations and guidelines.

The public is invited to attend our ceremony to see how American Flags are destroyed with love and dignity so rightly deserved.

For God and Country,
