

MAY IS MENTAL HEALTH AWARENESS MONTH

How Wanaque is participating:

-Boro Hall & the Rainbow Lake Fountain will be lit green for the month of May. Why Green? Green is the universal color for Mental Health Awareness Month and Mental Health Awareness in general.

-Wanaque employees are encouraged to wear Mental Health Awareness Ribbon pins and/or wristbands during the month. Keep an eye out!

- Pins and wristbands will be available at the Boro Health Department for any resident who would like to show support as well. Just stop in and pick up a few!
