

The Wanaque Police Department will continue to strive to increase underrepresented groups in our hiring process. For the year reported we have made progress in some areas and remained unchanged in others. We will continue to utilize Civil Service Eligibility Lists, Alternate Route Candidates and IGT eligible officers. All promotional exams are run through the NJ State Civil Service Commission and consist of at a minimum a written examination. The State results are provided to the department in rank order and used in the promotional process.

We currently have 23 sworn officers including 3 females, 17 white males and 3 hispanic males.
