Wanaque, NJ 07465

Helping Our Wanaque Borough Neighbors
Since 2012

Who We Are:

A group of community-minded residents living at Wanaque Reserve (a 55+ community).

What We Do:

- Assist individuals and families in Wanaque Borough who need short-term help with expenses (rent, utility bills, etc.), due to unexpected life circumstances.
- Partner with local borough and community leaders to meet critical needs.

Our Initiatives Have Included:

- Donations for food and equipment at Wanaque Feeds the Hungry, our local food pantry.
- Backpacks and school supplies for public school students in Wanaque and Haskell.
- Gifts and gift cards to brighten the holidays for families through our Adopt-a-Family Project (Secret Santa).
- Donations to the Wanaque Police Department, most recently for defibrillator pads.
- Donations to the Wanaque First Aid Squad, for various needs.
- Scholarships for local youth to attend Camp in the Q during the summer (based on financial need).
- An annual entertainment show, open to all. Proceeds fund our ongoing initiatives.
- Additional fundraising activities (e.g., first-ever WALK athon at Wanaque Reserve, Personal Care Items drive, and more).

Our Mission:

To support Wanaque Borough residents who are in great financial stress but have exhausted other avenues of aid – as defined and vetted by borough officials and/or local community agencies.

We also sponsor or participate in initiatives to meet the larger needs of borough residents and foster positive relationships between Wanaque Reserve and the community at large.
