Dear Fellow Residents,

On Sunday April 12th at 8 PM, the Borough of Wanaque will be holding a Community Candlelight Gathering for our residents to honor our first responders and to remember those directly affected by COVID-19. The Gathering will be done remotely over the internet using "Zoom".

We ask that all participants stay inside your home by the front window holding a candle or flashlight and log on to Zoom. We prefer that you use an electronic candle or flashlight for safety reasons. You should also turn on your front outside lights. The program will include comments from members of Wanaque's clergy.

Councilmen Pettet and Leonard are assisting me with this program and we will be releasing the link to access Zoom on Saturday.

The link will be posted on the Wanaque website at www.wanaqueborough.com and the Wanaque Facebook page at www.facebook.com/boroughofwanaqueminicipaloffices/.

We cannot express enough the need to continue practicing social distancing, staying at home whenever possible, washing your hands frequently and being vigilant. We have to all continue working together to stop the spread of this virus. Remember to stay safe.

I hope to see you all online on Sunday evening.

Sincerely,

Mayor Dan Mahler
