

UPDATE TO MAYOR & COUNCIL'S AUGUST 12th MEETING

There has been a change to the August 12th Mayor & Council's meeting. JCP&L will not be attending, due to their time commitment required for this weekend's storm.

Instead, they have now been scheduled to attend the September 9th Mayor & Council meeting at 7 pm.

Please also be aware that in light of this weekend's anticipated storm JCP&L has informed us that they have brought on 150 additional crews to assist.
